### Redbox Teacher Treat Basket

Being an early childhood teacher is a highly rewarding vocation deserving of recognition for the hard work and passion required to do it well. Teachers spend a significant amount of time with our children contributing to their development supporting the skills required to be successful in school and in life. As a result of their determination to ensure every student receives a quality education, we recognize their efforts year round, with special attention during Teacher Appreciation Week May 2<sup>nd</sup> – May 6<sup>th</sup>.

### How this Project Helps

The goodwill building project recognizes the long hours and hard work put forth by early childhood educators. A gift from the community reinforces recognition of the critical role early childhood professionals play in our young children lives.
