CORONAVIRUS (COVID-19)

INFORMATION AND RESOURCES GUIDE

REGINA Y. PETTEWAY, MSPH

WAKE COUNTY HUMAN SERVICES DIRECTOR

UPDATED: APRIL 20, 2020

Seeing Beyond Today

MESSAGE FROM THE DIRECTOR

We live in a world in which we need to share responsibility. It's easy to say 'It's not my child, not my community, not my world, not my problem.' Then there are those who see the need and respond.

— Fred Rogers

Wake County Family and Friends,

North Carolina identified its first COVID-19-positive case, a resident of Wake County, on March 3, 2020. Every day since then, the number of positive cases in our community has increased. This has impacted every member of our community and will continue to affect us over the coming months.

As your Human Services Director I want you to know that we are in this together, and we will get through this together. Wake is a great community, and during this public health crisis I see government, businesses, community organizations, and compassionate people coming together to help. Our residents are doing their part by taking care of themselves, their families, and their neighbors. Thank you for that.

We all need to find reliable sources of information to help us through these tough times. We hope this guide will help you find the resources you need. It does not include every resource in our community, but hopefully it is a solid starting point for you. Please use it, share it, and let us know if parts of it become outdated. We will do our best to keep an online version updated and available.

I repeat, we are in this together, and will get through this together.

In Service,

A handwritten signature in black ink that reads "Regina Y. Petteway".

Regina Y. Petteway, MSPH

Wake County
Human Services Director

COVID-19 PUBLIC HEALTH GUIDANCE

What To Do If You Think You Have COVID-19

- If you start to experience COVID-19 symptoms – fever, cough and respiratory issues, you should self-isolate for seven days after the onset of symptoms. If symptoms are mild, you do not need further medical care or testing. Once your symptoms resolve, remain at home without fever for three more days.
- If you fall into an at-risk group, or if more serious symptoms develop, call your primary care provider.
- If you have trouble breathing, call 9-1-1.

COVID-19 PUBLIC HEALTH GUIDANCE

Protecting Yourself and Our Community: Key Public Health Information

The best way to prevent infection from COVID-19 is to avoid being exposed to it. That means staying away from the outbreak areas and people who have been infected. You can practice everyday actions to help prevent the spread of COVID-19:

CLEAN YOUR HANDS OFTEN

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose, and mouth with unwashed hands.

PRACTICE SOCIAL DISTANCING

Social distancing means avoiding large gatherings and putting distance between yourself and other people (approximately 6 feet) when possible.

Strategies to implement social distancing include:

- Take everyday precautions to keep space between yourself and others.
- When you go out in public, keep away from others who are sick, and limit close contact.
- Avoid crowds as much as possible.
- Avoid non-essential travel including planes and cruise ships.
- Stay home as much as possible to further reduce your risk of being exposed.
- Utilize curbside pick-up or delivery services.

COVID-19 PUBLIC HEALTH GUIDANCE

AVOID CLOSE CONTACT

- Avoid close contact with people who are sick.
- Put distance between yourself and other people. This is especially important for people who are at higher risk of getting very sick.

CLEAN AND DISINFECT FREQUENTLY TOUCHED OBJECTS AND SURFACES

- Clean and disinfect routinely high touch surfaces. High touch surfaces include phones, remote controls, counters, tabletops, doorknobs, bathroom fixtures, toilets, keyboards, tablets and bedside tables.

COVER YOUR COUGHS AND SNEEZES

- Cover your mouth and nose with a tissue when you cough or sneeze.
- Throw used tissues in a lined trash can.
- Immediately wash your hands with soap and water for at least 20 seconds.

STAY HOME WHEN YOU ARE SICK

- Stay home if you are sick, except to get medical care.
- If you think you need medical care, call before you go.
- If possible, avoid public transportation, ride sharing, or taxis.

The above information is gathered from the Centers for Disease Control (CDC) and World Health Organization (WHO) with websites available to the public for more information.

[Centers for Disease Control](#)

[World Health Organization](#)

RESOURCES

INTRODUCTION

Wake County is fortunate to have many businesses and organizations that are providing critical services that our residents need during this public health emergency. They are constantly changing their offerings as they respond both to new restrictions and new needs in our community. The resources included in this section have been identified as reliable sources of information and many of them have websites that they are updating regularly that will lead you to more detailed information and additional resources you may find helpful.

One of the key resources that was used in the creation of this guide was the Wake Network of Care. This is an online directory of services and programs available in our community.

The Wake Network of Care is maintaining a list of resources available to specifically meet the new demands created by COVID-19. Visit their site for the latest updates for the following types of services:

- Childcare Resource
- Delivery Services
- Employment Loss Resources
- Food Resource Locators
- Homeless Service Access Sites
- Internet Access
- Mental Health
- Parenting/Education Resources
- Transportation
- Virtual Financial Counseling
- Volunteer Services

Their main site also has information related to several groups of people including:

- Older Adults
- Persons with Disabilities

 [Wake Network of Care](#)

RESOURCES

Here are a few of the key sources. Many of them can be found on the Wake Network of Care site, under the same category as listed here. Direct links to other sites have been included when possible. To help those of you who are using a paper copy of this guide, we have included pages at the end of this document that include the web addresses of all links.

ABUSE AND NEGLECT

COVID-19 has caused schools and other businesses to close, so fewer professionals are interacting with our children and older adults. We need your help ensuring the safety of Wake County's youngest and oldest residents. If you suspect someone is being abused or neglected please make a report.

Suspected Child Abuse or Neglect

During the hours of **8:30AM - 5:00PM:**

[\(919\)212-7990 \(English\)](tel:(919)212-7990) or [\(919\)212-7963 \(Spanish\)](tel:(919)212-7963)

After business hours or if a child is in immediate danger:

[911](tel:911)

Suspected Elder Abuse, Neglect or Exploitation

During the hours of **8:30AM - 5:00PM:**

[\(919\)212-7264](tel:(919)212-7264)

After business hours or if someone is in immediate danger:

[911](tel:911)

CHILDCARE

Find Child Care NC

If you are a parent who provides essential services to, or cares for, members of our communities and you no longer have consistent childcare because of COVID-19 closures,

RESOURCES

call 1(800)600-1685 to be connected with the right fit for you and your child. Options are available for infants up to children age 12. Under the direction of Governor Cooper, the NC Department of Health and Human Services, the NC Department of Public Instruction, the NC Child Care Resource and Referral Network and partners across the state are working together to provide these vital childcare options.

1(800)600-1685

Camp Hope - Childcare for Essential Personnel

YMCA of the Triangle is offering Camp Hope - child care for essential personnel - through May 15 at the YMCAs and community locations throughout the Triangle that are convenient to area hospitals. Currently, Camp Hope is offered for grades K - 8 from 6:30 a.m. - 7:30 p.m., Monday - Friday. Program locations include Southeast Raleigh YMCA, the Downtown Durham YMCA, the Chapel Hill - Carrboro YMCA, the Northwest Cary YMCA and the A.E. Finley YMCA.

[Child Care for Essential Personnel](#)

DELIVERY SERVICES

Many businesses are supporting the 'Stay At Home' order by expanding delivery services and helping us maintain social distancing by creating safer pick-up options. Contact businesses in your area about getting groceries and medications delivered and getting take-out at restaurants that don't usually offer that option.

Temporary Curbside Pickup Zones

The City of Raleigh has created Temporary Curbside Pickup Zones to support quick stops at local businesses for takeout services and other small deliveries. Most zones are in the downtown core and other areas with limited storefront access.

[List of Curbside Pickup Zones](#)

[Map of Curbside Pickup Zones](#)

[Request to add or remove a pickup site](#)

RESOURCES

DEVELOPMENTAL DISABILITY RESOURCES

Family Support Network of North Carolina (FNS)

The Family Support Network of North Carolina (FNS) promotes and provides support for families with children who have special needs and disabilities across North Carolina. Social, emotional and informational support is a crucial need of families, particularly now with the impacts of COVID-19. They have compiled resources for families and service providers.

 [FSN of North Carolina Resources](#)

North Carolina Council on Developmental Disabilities (NCCDD)

The North Carolina Council on Developmental Disabilities (NCCDD) wants to be a resource to share valuable information about COVID-19 to help people with intellectual and other developmental disabilities (I/DD) and their families stay safe and healthy.

 [NCCDD - What People with Disabilities Need to Know about COVID-19](#)

The Arc of North Carolina

The Arc of North Carolina has put together lists of COVID-19 Resources including a Plain Language Booklet for Individuals with Disabilities in English and Spanish, handouts for caregivers, and key links to the Centers for Disease Control & Prevention (CDC) and the North Carolina Division of Public Health.

 [Arc of NC Resources](#)

EMPLOYMENT

Unemployment Insurance

If you are laid off work temporarily or if your hours are reduced due to business slowdown or lack of demand as a result of COVID-19, you may be able to receive unemployment benefits. In order to determine eligibility, you must first apply for unemployment. The

RESOURCES

North Carolina Division of Employment Security has created an information page that is being updated with information about these changes as they become available.

[NC Unemployment Insurance Information: COVID-19](#)

[Apply for Unemployment](#)

Wake Network of Care (WNOC): Business/Employment Loss Resources

The Wake Network of Care (WNOC) is continually adding resources for businesses and workers. This includes information ranging from economic development, to chamber of commerce updates, to relief funds for specific types of workers.

[WNOC - Wake COVID-19 Resources - Business/Employment Loss](#)

FINANCIAL COUNSELING

Triangle Family Services (TFS)

Staff continue to serve clients through telephone, email, and other electronic platforms. Although all in-person services are currently suspended, they are still accepting new clients by phone and email.

[TFS email](#)

Operation HOPE

Many of us are facing the financial reality of job loss, business interruption, credit issues, and debt because of our current emergency situation. HOPE Inside Disaster serves as financial advocates for local residents and small business owners in federally-declared disaster areas.

[Virtual Financial Recovery Coaching](#)

1(888)388-HOPE(4673)

RESOURCES

FOOD RESOURCES: COMMUNITY

Food for Children and Families

Organizations are working together across our county to get food to those who need it the most. Meal sites for children are open across Wake County to serve meals to students daily. Other food resources such as mobile food markets food pantries, and emergency food boxes are available to serve families through curbside delivery. Food safety measures are being followed, and ID is not required to access any of these services. Detailed information is available via internet or text.

[Meal Sites, Food Pantries, Mobile Food Markets, and Emergency Food Boxes](#)

[No Kid Hungry Map](#)

Text **FOODNC to 877-877** to receive a text with the three drive-thru or pick up sites with meals for kids that are closest to you.

Food for Seniors

Resources for Seniors is also maintaining a list of food resources for seniors that includes free food, specialized prepared meals, and stores with designated shopping hours for seniors.

[Resources for Seniors](#)

FOOD RESOURCES: GOVERNMENT PROGRAMS

Food Stamps - Supplemental Nutrition Assistance Program (SNAP)

Individuals and households that need food assistance may also be eligible for the Supplemental Nutrition Assistance Program (SNAP). This program helps households buy the food they need for a nutritionally adequate diet. Households are issued a card and pay for their groceries at food stores by using the card which works like a debit card, at the checkout counter.

RESOURCES

Apply online, by mail, fax, or email:
